High Definition  2*2MP  Image resolution  Main code stream: 1920*2160@12fps; Substream: 640*720@12fps  Minimum illumination  0.01 LUX/pro series  Lens  3.6mm(standard)  Perspective  7urn video  Flip up and down/flip side to side  Light control mode  Automatic/light on/off/timer/smart alert
Video    Image resolution
Video  Minimum illumination  0.01 LUX/pro series  Lens  3.6mm(standard)  Perspective  Turn video  Flip up and down/flip side to side  Light control mode  Automatic/light on/off/timer/smart alert
Lens 3.6mm(standard)  Perspective 92 °  Turn video Flip up and down/flip side to side  Light control mode Automatic/light on/off/timer/smart alert
Perspective 92 ° Turn video Flip up and down/flip side to side Light control mode Automatic/light on/off/timer/smart alert
Turn video Flip up and down/flip side to side Light control mode Automatic/light on/off/timer/smart alert
lighting Light control mode Automatic/light on/off/timer/smart alert
llighting
HIGHLING
Number of lights 6 red lights +6 white lights
PTZ control Rotation Angle level :355°; Vertical :90°
Turn PTZ Flip up and down/flip side to side
Coding standard G.711
Audio Mitou support
Two-way Speech support
Video file size Hd video ≈9.7G/ day SD video ≈2.4G/ day
Record Mode Manual video recording, dynamic detection video recording,
Record timing video recording, alarm video
management Video storage TF card/cloud
storage Cloud Storage +TF Local Video recording (256GB Max)
Remote playback support
Image capture support
WIFI 2.4G WIFI 802.11b/g/n
Network Pairing WiFi Smartlink distribution network addition, AP hotspot
addition, QR code scanning. Bluetooth fast networking
Network Protocol Support TCP/IP, ONVIF, RTSP
Bluetooth remote control support
Reset key support
extension Human tracking support
360degree coordinate positioning support
Power AC 100-230V
power supply power interfac E27 standard base
Suitable place outdoor、Home、shop、School、factory;
Suitable place Outdoor, Home, Shop, School, factory,
work Installation mode hoisting
